## STEP 2...Choose Your Cake and Buttercream Flavor

\*One cake flavor per tier

\*There is an additional .50/serving for cakes with 2+ buttercream flavors per tier

\*Our buttercreams are naturally flavored so, *naturally*, raspberry and strawberry buttercreams are pink, for example. For this reason, we are unable to tint or untint certain buttercreams to match your designs. Please keep this in mind for the aesthetics of your cake. To remedy this, consider choosing two buttercream flavors or one buttercream flavor and fondant.
